

THE NEW 2021 ŠKODA SUPERB

ŠKODA
SIMPLY CLEVER

A CAR THAT TRULY EARNS ITS NAME.

Imagine a car that blurs the line between beauty and functionality. Where style and spaciousness coexist in perfect harmony. Where there's room for everything except compromise. We imagined such a car. And we call it the new ŠKODA SUPERB.

Sculpted by a new, more emotional design language, the ŠKODA SUPERB is an instant conversation starter. As well as being incredibly spacious, it's the most comfortable way to stretch not just your legs but your ambitions too – perfect for family and business alike. And being a ŠKODA, this car showcases our finest Simply Clever thinking.

This car represents over 125 years of forward-thinking, a commitment to making cars that are as much a joy to drive now as they were back when we started. Because instead of looking back on our eventful history, we use it as an inspiration to look ahead.

That's Simply Clever. That's ŠKODA.

WOLF, IN WOLF'S CLOTHING.

Sophistication just got a sporty makeover. Step inside the ŠKODA SUPERB SPORTLINE and experience how racy and refined can go hand-in-hand.

While its sculpted design lines give the car serious head-turning powers, its sporty details, inside and out, give it an attitude to match. And being the flagship ŠKODA, it obviously comes with numerous Simply Clever solutions.

The ŠKODA SUPERB SPORTLINE is yet another example of our philosophy of making beautifully designed cars that are as much a joy to drive now as they were back when we started.
